22 Dec 2005

Our Family Readiness Group of our Vermont National Guard Unit requested and received 50 wrist bands from your organization in September 2005. Our group; Families of Alpha Company, was able to quickly sell these wrist bands. The proceeds of \$50.00 was used for a Halloween celebration that the spouses, children, and families of our deployed Vermont National Guard soldiers had. With the \$50.00 we were able to buy pumpkins to carve, food for a meal and process pictures to send to the family members deployed over seas.

We are requesting more wrist bands to sell for more holiday celebrations and trips for our families. The wrist bands are very nice and sell well. Thanks you for all you are doing for our soldiers and their families.

Sincerely,

Families of Alpha Company
