Dear Phil,

On behalf of our military and their families, we thank you for your participation in the June 3rd charity event held at the **Cauldron Tavern** in Las Vegas and your kind donation of **\$1,000.00**. Your donation will be very instrumental in helping us continue to provide financial support to the children and families of our wonderful service men and women affected by the war on terrorism.

The Children of Fallen Soldiers Relief Fund is recognized by the IRS as a 501 (c) 3 non-profit organization. We are a newer organization that was established on October 23, 2003 to assist the children and spouses of our U.S. Military that have been affected by the Afghanistan and Iraqi wars. As a new organization, our funds are received from interested donors so our funds are limited. As we gain more interest from possible recipients, donors, and fund-raising activities, our foundation will grow. We are a volunteer group of board members and supporters contributing in a small way to assist our service member's families. We began receiving applications in January 2005 and our Grants Committee has awarded \$40,500.00 in College Grants to assist two children and six spouses who have lost their father or husband during his service in Iraq or Afghanistan and \$17,150.00 in financial awards that have provided support to ten surviving children so far this year. It is only with your support and the support of others that we can provide a "gift" back to these young women and their families.

Your continued support of our organization is greatly appreciated with the defending freedom wristbands and the contributions of your sales, the total donations received from Nevada Benefits Foundation to date amount to **\$9,792.00**. We wish you and yours the best throughout the year and encourage you to keep our military and their families in your thoughts and prayers.
