The Veterans Appreciation Poker Run Committee would like to express our thanks for your contributions and donations to our efforts to raise phone card money for our wounded troops that are currently serving our country in the war against terrorism.

The benefit run was highly successful due to your generosity and the number of people who participated in the run on 10 September, 2005. Income from the event exceeded over \$2,000 for the one day event and the net profit will be fairly substantial after expenses are deducted. 100% of the profits will be used to purchase phone cards for our wounded troops.

We will be traveling to Washington D.C. over Veterans Day, 2005 to visit both Walter Reed and Bethesda Hospitals to hand deliver the cards to the patients and express our thanks for their service to our great country. Photos of this will be available to anyone desiring them.

Once again, we thank you for your support for both our troops and our country.

Larry & Cindi
