Dear Mr. Randazzo,

Thank you for very generous gift to the Intrepid Fallen Heroes Fund Engraved Granite Pavers Campaign. We very much appreciate your sharing in our mission to support the men and women of the Armed Forces and their families.

The Center for the Intrepid Engraved Granite Pavers Campaign allows caring Americans to show their support for the catastrophically wounded military personnel and their families who have given so much for our country. The pavers will line the pathways around the Center. As the servicemembers and veterans undergoing treatment and their families enter the Center, they will be reminded of the thousands of Americans who support them.

There will be 2,975 pavers at the Center. They will be granite, academy black with honed finish and will be laid at the site when construction is complete in January 2007.

Less the actual cost of engraving and credit card bank fees, 100% of your contributions, for the Engraved Pavers Campaign will go toward construction of the Center for the Intrepid; no administrative cost is deducted.

Again, thank you for your kindness and generosity. We are grateful for your thoughtfulness and for ~~your~~ remembering our service members and their families.

Sincerely,

cc: Richard T. Santulli, Chairman

Contribution amount: \$1000.00
