To Whom It May Concern:

I am writing in response to receiving the Defending Freedom Bands from your foundation. I want to say thank you for the bands and for the wonderful things you are doing for the men and women serving in the Military.

The proceeds from the bands will be going towards helping out our Soldiers and their families, such as:

Care packages sent to the Soldiers currently serving in Iraq, activities for families of Soldiers, phone cards for the Soldiers to call home, any assistance needed for families at Christmas and toward any family in need during the time of deployment.

Thanks to you and your wonderful company for all your support!
