

Dear Phil,

Thank you so much for the generous contribution of to date \$7,000.00 to America's Heroes of Freedom, Operation Life Line. This donation will allow us to better meet the needs of our returning wounded troops. As you know, Operation lifeline implements and supplies and directly meets the needs of our incoming wounded troops and helps to support their families. Your donation helps us to provide calling cards, underwear, socks, flights, lodging, and so much more. We wish everybody knew what a great friend and patriot you are.

Sincerely,

Susan Brewer
