Dear Phil,

On behalf of United We Serve and the troops and families that we support, I would like to thank you for your generous donation of wristbands for our fundraising efforts. In addition to the wonderful opportunity that they will provide to us to expand our support, the tangible message in the bracelets themselves is wonderful. We have begun distributing them and are looking forward to all that will mean in our support of the military.

In addition to the many programs that we are involved in, we are currently raising funding for a Retreat and Care Center for our Troops, Families and our Wounded Warriors. This wonderful facility will enable our military to enter back into society not only refreshed but with the solid tools necessary to succeed in the future. This generous donation will help to realize this dream.

It is a privilege to partner with Defending Freedom.net in our common mission. Our prayers are with you and your organization as you continue to serve the military community in such a wonderful way.

Best regards,

Romey Kilgore
